February, 2016

Greetings!

As members of the newly formed Lake County Fair Foundation, we invite you to join us and become a charter member of the Foundation.

Established in 2015, the Lake County Fair Foundation is a non-profit 501(c)3 entity of the Lake County Fair. Our mission is to support the Fair by assisting with special projects including beautification and enhancement of the fairgrounds and creating and expanding the Fair's education programs along with marketing and fundraising support.

**Don't miss the opportunity to support and maintain the wonderful traditions of the Lake County Fair!**

Adults and kids alike enjoy showing and viewing animals, artwork, crafts, flowers, baked goods and vegetables. And everyone enjoys the parade, Livestock Auction, music, food and carnival. There is something for everyone at the Lake County Fair!

**The Lake County Fair is our treasured community celebration and our Fairgrounds a vibrant event center during the rest of the year.**

As a member of the Lake County Fair Foundation (LCFF) your investment will insure the growth, viability and celebration of our Lake County Fair. Join us in supporting your Fair!
