

RACE PROCEDURE:

Mud Packing: All karts in posted division will be required to mud pack

Hot Laps/ Qualifying: Every division will be given 2 hot lap sessions. Each session will consist of 6 karts for 4 green flag laps. Order of hot laps/qualifying groups will be based on position in points. Fastest lap time of combined hot laps session will be that karts qualifying time. Anyone without a working transponder will be filled into the back of the slowest heat.

Trophy Dash: 4 fastest qualifiers inverted for 4 laps. Points will be awarded. Winner will pull into infield. Trophies will be presented at the end of the last trophy dash.

Heats: Fast time in the Open division will pill draw for heat race invert 1-6 any position past 6 will start straight up. Heats will consist of odd and even qualifiers, running for inside (odd) and outside (even) rows of the main. Finish of heat will determine starting position of the main or semi main.

Semi Main – Will start straight up from heat race finishes, odd & even. 2 transfer.

Main – Line up will be determined by heat race finish with semi main transfers starting straight up behind qualifiers. Main event trophies will be presented after the last main has commenced.
